# Break Field Values in Quick Reports

The value of the Break field can be printed in a Break area by inserting the number sign in the label. The following report will print a list of companies and the number of related contracts and total amounts. The "#" is placed in the first column to display the name of the company when details are hidden. This feature is used most often for summary reports.

The following report is generated from the above setup:

| Company Name | Number of Contracts | Total Amount |
|---|---|---|
| Boeing Aerospace Operations | 11 | 656349317 |
| EG&G Florida, Inc. | 5 | 2351047826 |
| EIC Laboratories, Inc. | 4 | 461766 |
| I-NET | 2 | 77199210 |
| Mainstream Engineering Corporation | 4 | 590656 |
| Micro-G Research | 2 | 521451 |
| Optivision, Inc. | 1 | 49996 |
